Evaluation Clinics

New Mexico

Autism Spectrum Evaluation Clinic (ASEC) (formerly the Neurodevelopmental Clinic)

- The Autism Spectrum Evaluation Clinic is staffed with professionals with unique expertise in the diagnosis of Autism Spectrum Disorder (ASD) and related disabilities. The clinical team consists of a medical doctor, clinical psychologist, speech-language pathologist and a clinical social worker. Following evaluation, the team assists families to locate community and statewide resources that may be appropriate for their child.
- www.cdd.unm.edu/autism/programs/neuroclinic.html for more information and a Clinic Intake Packet.
- Phone: 505-272-9337 or toll free 1-800-270-1861

Early Childhood Evaluation Program (ECEP)

- The Early Childhood Evaluation Program provides evaluations for children ages birth to three living in New Mexico. ECEP addresses concerns regarding developmental delay, complex medical conditions, Autism Spectrum Disorder, cerebral palsy, behavioral/regulatory issues, and other specialized evaluation questions for very young children.
- <http://cdd.unm.edu/20/then-now/ecep.asp> for more information and referral forms.
- Phone: 505-272-9846 or toll free 1-800-337-6076
- Email: HSC-ECEP@salud.unm.edu

Fetal Alcohol Spectrum Disorders Clinic (FASD)

- The Fetal Alcohol Spectrum Disorders program is an interdisciplinary clinic and training program that evaluates children who are suspected of having FASD.
