

Contacting the Information Network

hsc-infonet@salud.unm.edu

**Are you interested in scheduling
an event with the UNM CDD
Information Network?**

**Information Network staff are
available for the following:**

- Information Network Overviews & Presentations In-Person & Online
- Portal Presentations (UNM CDD Info Net Resource Portal, NM Medical Home Portal - MHP)
- e- and In-Person Conferences
- Community & School Events
- e- and In-Person Support
- Research Support, Including Specified Article Requests
- Scheduled Library Tours, Including New Patron Registration & Book Checkout

**Please reach out to us
via email at:**

hsc-infonet@salud.unm.edu

For individualized disability-specific community-based resource & referral support, call our Information Specialist Phonenumber at **505.272.8549**.

**When emailing the Information Network,
including the following information will help us
meet your presentation and research needs:**

- Title, type, audience, date, time, and length of the event you are requesting us for
- When you would like for us to arrive and how long our presentation portion will be
- Location - online (Zoom link), in-person (site address), or both
- Presentation topic and media type (ex. Info Net Overview, 1-hour length PowerPoint)
- Any materials needed prior to and/or after the event (group email with PP pdf attachment, survey completion, etc.)
- Your availability for an appointment, and the question or topic you would like to research
